About the Company

Who we are and what we offering?

Comercex is a award winning eCommerce company started it's activity back in 2016, we take pleasure in introducing ourselves as a leading and growth-oriented eCommerce development and management company that provides wide range eCommerce solutions starting from project planning and ideas writing to packing products and delivering it to our customers doorsteps. We are experts and passionate about every step we do. We have started this company to give ordinary people the opportunity to earn a high and stable dividents, at the same time to become their own online store owners with the advantage of a professional team supporting them.

Why We are the best in our industry?

Real, stable, unique and modern business model. we are focused on Integrity, Longevity & Success.

We are constantly growing and improving company.

We working on an expanding industry: Multi trillion dollars eCommerce industry.

We have Long-term business vision. We are here for years to come.

Company transparency. Providing weekly income reports on all Company activity. Showing revenue generated by our online stores, as well company reserve funds. Every member know's how company is doing.

Our company employees know everything about eCommerce market, and how to produce constant results, and instead of useless promises, we confirm our knowledge by successful company growth.

Our company provides each new member with the possibility receive the maximum of useful information in term of eCommerce development every day.

Legal information

We have the right to provide services regardless of the country of residence of the customer and, thus, we're always provide services of the maximum level of quality, comfortless and safety. Openness and legality of activity - important aspects for strengthening of mutual trust.

About:

As Comercex Limited started swiftly evolving and developing, there appeared a certain need for extension that could handle our massive influx of customers and product logistics from asia. Thus, a Comercex hong kong limited was born, a asia based subdivision of Comercex created to be closer to our manufacturers and customers from asia region. As a result, Comercex company hired more talented and qualified professionals for network extencion. Also no coincidence that Comercex Ltd.'s one of the offices is located in Hong Kong: the Asian emerging market is arguably one of the fastest growing eCommerce markets in the world. Now all of our asian clients are served out of our Hong kong subdivision.

Comercex Main areas of activity

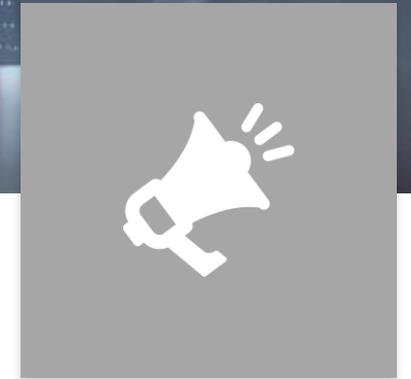

Affiliate marketing

Dropshipping

Private labeling

Advertising & Trading

Affiliate marketing

We promoting products or services of merchants and earning a commissions when someone purchases those offers.

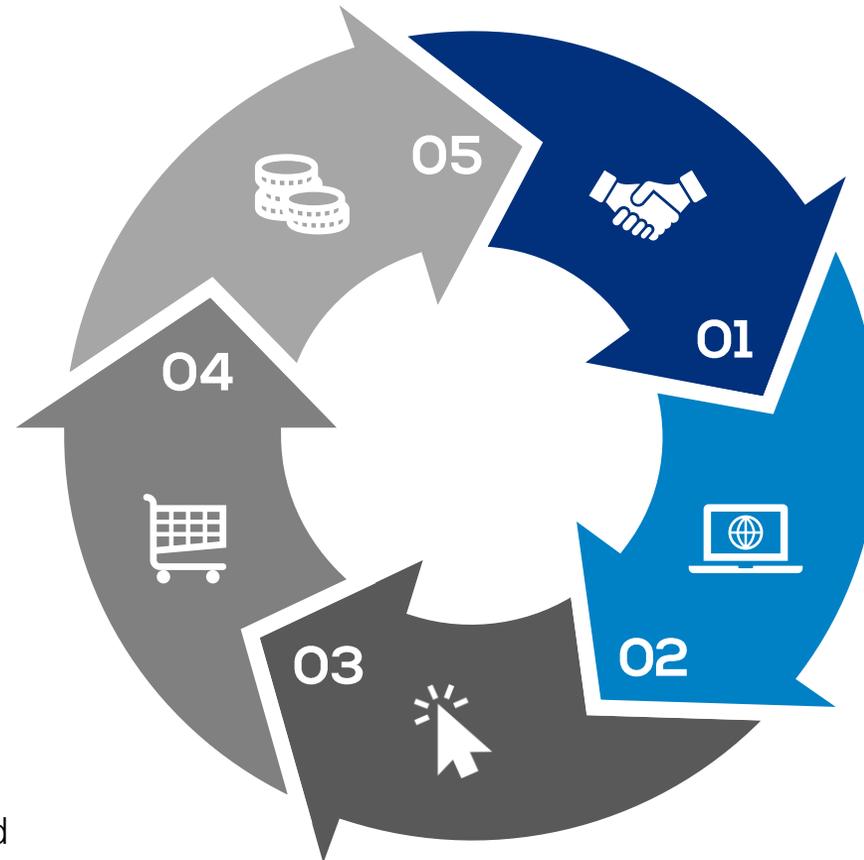

01 / We create a business relationships with merchants.

02 / Advertise merchants products or services on our websites

03 / Customer's click on ads and are tracked and redirected to merchants site.

04 / Customer make a purchase on merchant's site

05 / Network processes transactions and Comercex company gets paid comission

Some of the current affiliate networks that we working on:

- ➔ ShareASale
- ➔ CJ Affiliate
- ➔ ClickBank
- ➔ Amazon associates
- ➔ and more..

The Dropship Model

In this business model we selling items but don't keep products in stock. Whenever a customer orders a product, we pass the order to a supplier who then ships it directly to the customer. We earn through arbitrage.

Private labeling

We testing and developing our own branded products. Which has produced by manufacturers by our requirements, then shipped to our fulfillment center and sold to our customers all around the world.
